About the Cerrahpaşa Medical Journal

Cerrahpaşa Medical Journal is a peer reviewed, open access, online-only journal published by the İstanbul University-Cerrahpaşa.

Cerrahpaşa Medical Journal is a triannual journal that is published in English in April, August, and December.

Journal History

As of 2019, the journal has changed its title to Cerrahpaşa Medical Journal.

Previous Title (1998-2018)

Cerrahpaşa Tıp Dergisi
ISSN: 1300-5227

Current Title (2019-...)

Cerrahpaşa Medical Journal
EISSN: 2687-1904

Abstracting and Indexing

Cerrahpaşa Medical Journal covered in the following abstracting and indexing databases;

- DOAJ
- EBSCO
- Gale
- China National Knowledge Infrastructure (CNKI)
- TUBITAK ULAKBIM TR Index

All content published in the journal is permanently archived in Portico.

Aims, Scope, and Audience

Cerrahpaşa Medical Journal aims to make significant contributions to medical literature by publishing manuscripts of the utmost scientific excellence across all fields of medicine. The journal is committed to disseminating original research articles, comprehensive reviews, and impactful letters to the editor, all of which are meticulously prepared in strict accordance with ethical guidelines.

The primary target audience of Cerrahpaşa Medical Journal includes researchers, distinguished physicians, and healthcare professionals who possess a vested interest in or actively engage in various medical disciplines. The journal serves as an esteemed platform for these individuals to remain abreast of the latest advancements, pivotal breakthroughs, and emerging trends within their respective areas of expertise. By offering a wealth of knowledge, the journal seeks to foster robust collaboration, facilitate the exchange of innovative ideas, and ultimately elevate medicine's overall comprehension and practice.

You can find the current version of the Instructions to Authors at <https://cerrahpasamedj.org/en/instructions-to-authors-105>.
